- Sec. 2. (NEW) (Effective July 1, 2011) (a) The practice of or the offer to practice landscape architecture in this state by individual licensed landscape architects under the corporate form, or by a corporation or limited liability company that employs licensed landscape architects, is permitted, provided: (1) Personnel of such corporation or limited liability company who act on its behalf as landscape architects are licensed or are exempt from licensure under the provisions of chapter 396 of the general statutes, and (2) such corporation or limited liability company has been issued a certificate of registration by the State Board of Landscape Architects as provided in subsection (b) of this section.
- (b) A qualifying corporation or limited liability company desiring a certificate of registration shall file with the board an application upon a form prescribed by the Department of Consumer Protection, accompanied by an application fee of eighty dollars. Each such certificate shall expire annually and shall be renewable upon payment of a fee of two hundred dollars. If all requirements of chapter 396 of the general statutes are met, the board shall authorize the department to issue to such corporation or limited liability company a certificate of registration within thirty days after such application, provided the board may refuse to authorize the issuance of a certificate if any facts exist which would entitle the board to suspend or revoke an existing certificate of registration.
- (c) Each such corporation or limited liability company shall file with the board a designation of an individual or individuals licensed to engage in the practice of landscape architecture in this state who shall be in charge of landscape architecture by such corporation or limited liability company in this state. Such corporation or limited liability company shall notify the board of any change in such designation within thirty days after such change becomes effective.
- (d) All final plans, drawings, specifications, reports or other documents involving the practice of landscape architecture which are prepared or approved by any such corporation or limited liability company or landscape architect for use of or for delivery to any person or for public record within this state shall be dated and bear the signature and seal of the landscape architect who prepared them or under whose supervision they were prepared.
- (e) No corporation or limited liability company shall be relieved of responsibility for the conduct or acts of its agents, employees or officers by reason of its compliance with the provisions of this section, nor shall any individual practicing landscape architecture be relieved of responsibility for landscape architecture services performed by reason of such individual's employment or relationship with such corporation or limited liability company.
